

The radio station K-LOVE is very important to me as a resident of this community, because it provides a wonderful and uplifting experience for me as well as my friends and family. It would be very sad and detrimental to the local community if K-LOVE were to be replaced by anything other than what it is. I count on K-LOVE to be there for me during my one hour commute to work. I know many others who feel the same way. There is an overabundance of negativity bombarding our airwaves. K-LOVE provides a reprieve and a refreshing perspective that is always positive and encouraging.
